LEGISLATIVE SUPPORT TEAM

The primary objective of the Texas Burglar and Fire Alarm Association is to represent the alarm industry before the Texas Legislature and other governmental agencies including The Department of Public Safety; Private Security Bureau and The Department of Insurance; State Fire Marshal's Office.

The objectives of the association can only be accomplished by the combined efforts of the Board of Directors and our lobbyist Ron Kessler of the Ron Kessler Group LLC. The Board of Directors, headed up by President Chip Bird, coordinates the activities of the association. Ron Kessler heads up our lobbying effort. It would be fair to say "he opens a lot of doors".

The Texas Burglar and Fire Alarm Association incurs a cost of more than \$85,000.00 annually for our legislative effort. The membership dues are not enough to cover this expense. Special help is needed.

We, the TBFAA Board of Directors, are asking the professional alarm dealers of the State of Texas to participate either monthly or yearly in this ongoing legislative effort. With this team concept we can get the job done. Please sign up to become a Team Member.
